

With the awareness that its most important value is its human resources, **ZENIT LED** aims to minimize any losses that may occur by creating a safer and healthier working environment and to continuously improve while fulfilling its responsibilities towards society, the environment and employees.

In line with this principle, we undertake to:

Comply with legal obligations, relevant national and international standards within the scope of occupational health and safety,

Ensure safe and healthy working conditions to prevent work-related injury and ill health,

Develop and maintain our Occupational Health and Safety culture,

Identify and eliminate hazards, risks and near misses in the work environment,

Take proactive measures by making necessary plans for possible emergencies,

Ensure the consultation and participation of all employees, while raising awareness that activities related to occupational health and safety are the common responsibility of all employees.
